

IMPROVED FORMULATION

KEEP YOUR REPUTATION SPOTLESS

- Improved opacity
- Excellent stain resistance
- Lasting durability, ideal for high traffic areas
- Stays matt after cleaning

PRODUCT GUIDE

KEEP YOUR
REPUTATION
SPOTLESS

IMPROVED
FORMULATION

Johnstone's Trade Cleanable Matt is a tough matt emulsion designed for busy areas which require frequent cleaning.

✓ **Superior Cleanability**

Keep paint surfaces looking fresh for longer, thanks to Easy Clean Technology which allows dirt and contaminants to be easily cleaned off the painted surface.

✓ **Stain Resistant**

The premium paint binder prevents stains from seeping into your paint surface, making them easy to clean and remove with soap, water and a soft cloth for up to 10,000 scrub cycles.

✓ **True Matt Finish**

Cleanable Matt gives a true matt finish when first painted, and continues to stay matt after cleaning.

Easy Clean Technology

Johnstone's Trade Cleanable Matt contains innovative binder technology that prevents stains seeping into the paint surface, making cleaning easier and keeping the paint looking fresh for longer.

The most common stains are easy to remove with lukewarm water, a soft cloth and mild detergent such as washing up liquid. It's high quality, durable binder ensures that the paint stays matt, standing the test of time and keeping your reputation spotless.
